

2-1E Search for Books in Nagoya University

Nagoya University Library Search

(<http://nagoya-opac.nul.nagoya-u.ac.jp/?lang=english>)

Nagoya University Library Search is a tool for searching materials available in Nagoya University. You can search almost all books and journals, except some materials, such as Japanese and Chinese classic literature, newspapers and microform resources.

<How to Search>

- Access library web page http://www.nul.nagoya-u.ac.jp/index_e.html and click on Nagoya University OPAC in the middle of page.
- Enter keywords related to the book you are looking for and click 
 - Information on the book which can be used in **Basic Search** is shaded in grey as below.

(e.g.) Hook, G. D. (2012). *Japan's International Relations : Politics, economics and security* (3rd. ed.)

Author/Editor	Publication year	Title	Edition
---------------	------------------	-------	---------

The Sheffield Centre for Japanese Studies/Routledge series ; 44 New York: Routledge.

Series information	Publisher information
--------------------	-----------------------

- No need to enter exact title of the book or author name. You can search by some words included in the title of the book. No need to enter articles or prepositions such as the, a, etc.
 - To search with a declinable word, please add an asterisk (*) after the stem of word (e.g. enter japan* to search for Japan, Japanese, etc.).
- [Bibliography Search Result List] will be displayed
On search results screen you can refine search results or sort results.
 - Search results can be refined by Material Type (e.g. Books/Serials), Holding Library, Author/Contributor, Publication Year. Click on condition to apply.
 - Order or number of results can be changed. By default, results are sorted by title "Title (ASC)", but can be changed to "Published year (DESC)" (newest to oldest), "Relevance".

The screenshot shows the Nagoya University Library Search interface. At the top, there is a search bar with the query "japan* international relations hook routledge" entered. Below the search bar, there are options for "Basic Search" and "Advanced Search". The search results are displayed in a "Bibliography Search Result List" format, showing 1-7 of about 7 results. The first result is highlighted in red and has a callout box (4) pointing to its title: "Japan's international relations : politics, economics and security". To the left of the search results, there is a "Refine Your Search" panel with callouts (3) and (1) pointing to the "Material Type" and "Holding Library" sections. At the top right of the results list, there is a sorting dropdown menu with callouts (3) and (2) pointing to the "Published year(DESC)" option and the number of results "20".

- Click on corresponding title of the book to view detailed information.

<How to read information on holdings>

On Bibliography Details screen you can see the information on a book itself and its holdings (where is the book is located in the library). There are also links to other search services and apply from web.

Bibliography Details ...①

↓ There are 4 copies of this book available in Nagoya University Library, of which 2 are in the Central Library.

Make sure to take notes of both.

- Bibliography Details:** Title, author, publisher, and so on
For more details, check the “Bibliography Details” area on the bottom of the page
- Holdings Listing:** Where the book is located
When you go to find a book make sure to check information on holdings [Location], [Call No], and [Status].
[Location] It means rough location of the book in Nagoya University. “Cent Lib ...” means that the book is in the Central Library. If you click on location, detailed information on location and map will be displayed.
[Call No] It indicates alignment sequence of books. It is labeled on the spine of the book (see on the right) as Call No. On the book shelves books are arranged by classification number (first item of the call no.) and then by author’s symbol (second item).
[Status] If the status is “checked out”, then, you can reserve the book (see **Guide Sheet 6-2E “Reserve books that are currently on loan”**). If the status is “in laboratory”, then contact the library shown in location.
- Related Items:** Search for related books
[author] You can search for the books by same authors.
[classification] Search for books on the same topic. “Classification (number)” means number indicating subject of the book. First item of the Call No.

Relation between “subject” and alignment sequence of the books

In Nagoya University Library books are classified by subjects using method of the Nippon Decimal Classification (NDC; on the right). The first item of the Call No. Label indicates number of the classification. This relation means that since books are arranged by call numbers on the shelves, the books located near on bookshelves are close by subject.

Nippon Decimal Classification

000	General works
100	Philosophy
200	General history
300	Social sciences
310	Political science
319	International relations
400	Natural sciences
500	Technology. Engineering
600	Industry and commerce
700	The arts. Fine arts
800	Language
900	Literature

[subject] Search for books on the same topic. “Subject (heading)” means keywords explaining content of the book.
