Text in Tibetan.
Anonymous title.

★Attention

Japanese title and author are romanized by the Kunrei system and sorted.
Ex.) 「支持基盤」 ⇒ sizi kiban

Search the title omitting any leading (in)definitive article, e.g. the, a, an.
Ex.) "The story of English"
appears at the place of "Story".

Next Step

If the book is not found on both OPAC and Union Card Catalog, please check other library catalogs such as NACSIS-Webcat (<http://webcat.nii.ac.jp/>).
