Books in "Sci Math" are arranged by author’s surname in Western/Japanese alphabetical order. The call number is the first three letters of the author’s surname. Call numbers for series / seminar series, proceedings, works, doctoral theses, lectures and reference books begin with "_Ser" / "_Sem", "_P" / "_PSer", "_W", "_D", "_L" or "_R" respectively. Books in "Sci Lib Book" are arranged by NDC (Nippon Decimal Classification).

Journals published within the last 12 months, including the latest issues, are located in the "Current Journal Room".

Textbooks of Dept. of Physics are located in the "Sci Lib Textbook" Corner.

Newly arrived books are displayed in "Newly Arrived Books" Corner.

- Talking on a cell phone is not allowed in the library.
- Eating and drinking are prohibited anywhere in the library.
- Please keep your valuables in your possession at all times.

Anyone belonging to Nagoya University can enter the library freely and access the library materials on the open shelves. Those who are not members of Nagoya University need to fill out an application form at the service counter to enter the library.
