**Guidance  
for  
EBSCOhost**

Language: English

**Reliable Information and Useful Features for  
Your Research and Learning**

We will discuss EBSCOhost, a platform to search various databases, to explore academic literatures for your research projects. This session will cover what databases are available at Nagoya Univ, how to search by your keywords, how to use thesaurus, and more.

**Instructor**

EBSCO Information Services Japan Trainer

**EBSCOhost is a research platform  
covering various academic fields.**
