

7-1E Accessing Electronic Journals and Databases Off Campus

Using Remote Access Service

Some databases in contract with Nagoya University allow access to electronic resources (Electronic journals, Databases, etc.) from outside of the university as well.

- This is a service targeted to those currently enrolled in Nagoya University.
- Nagoya University ID (NU ID) is required for use. For information about NU ID, please refer to the following page: Information and Communications <<http://www.icts.nagoya-u.ac.jp/en/services/nuid/>>
- Some electronic resources cannot be accessed off campus due to contractual terms with the service provider.
- Access to electronic resources is done through a designated webpage. Please check the following procedure to learn how to access.

* The following images are display screens on a PC. If you use a tablet or smartphone, the screens may be different.
